

HyDraw CAD® 2022 IT Hotfix 02-IT

Applicability: HyDraw CAD 2022 IT with/without Hotfix 01-IT installed

Issues Resolved:

1. HyDraw CAD forgets license details after 30 days.
2. When using the trial license, the expiration date is incorrect.
3. Standard users cannot access the 'Config' file from the 'Roaming' folder.
4. The HyDraw CAD 2022 License Settings is displaying a trial license for Single-User licenses.
5. Information is missing within the HyDraw CAD 2022 License Settings
6. Single-User Trial license is not displaying properly in the License Details.
7. Display formats are not displayed in the specified sequence set in the HLM.
